Yr 4 Sydney Observatory Excursion Thursday 25th July 2019

Dear Parents and Carers,

Year 4 is studying Space in Science this term. The unit focuses on Earth's place within the solar system as well as the history of space science and exploration. This includes the study of how different cultures have contributed to our understanding of our place in space.

To supplement and extend our learning in the classroom, an excursion has been planned to Sydney Observatory on Thursday 25th July. Sydney Observatory is the oldest observatory in the Southern Hemisphere and students will attend two educator led workshops on the Solar System and on Indigenous Astronomy.

WHEN:	Thursday 25 th July
WHERE	Sydney Observatory
TIME:	8.45am for 9.00am departure. Return to CCPS 3.15pm
COST:	\$37.00 - Cost will be included in the Term account

Children will need to wear sunscreen, correct school uniform and bring a packed morning tea, lunch and drink bottle. Please also include hat and a raincoat even if the weather is fine. These should be placed in a light cloth bag or backpack clearly marked with their first and last name.

Permission and payment must be received before the excursion and, unfortunately, refunds will not be available if your child is unable to attend on the day. Please return permission slips with your term invoice to the silver letterbox in the office foyer **by Friday 24th May**.

Kind regards,

Anjali Rao
Science Teacher

Please fill in the permission note and return it to the School Office by 24th May

**Yr 4 Sydney Observatory
Thursday 25th July**

I give permission for my child _____ of class _____ to attend the Sydney Observatory on Thursday, 25th July. I understand travel will be by bus.

I understand the fee of \$37 will be included on my Term account.

Signature of Parent/Guardian: _____ **Date:** _____
